Global Acquirers International is a leading company in Japan in Second-hand vehicle exporting. We were able to thrive in Japanese export market within short time period. Our business is wholly oriented on giving better service to our valued customers highly concerning their preferences as wells as their budget.

Currently we are in the following business.

- Exporting any kind of Japanese Used vehicles. Car, Van, Bus, Truck
- Exporting foreign vehicles used in Japan (Eg: M/ benz, Porche, Jaguar, etc)
- Exporting Japanese brand-new vehicles.
- Exporting used and brand-new motor bikes.
- Exporting vehicle engines, tiers, other spare parts and Agriculcral machines upon the orders
- Facilitating vehicle cutting for the local vehicle buying and selling companies
- Facilitating Shipping arrangements for the local vehicle buying and selling companies
